Dear Mustang Friend,

Our second club meeting will again be held at Stone Mountain, Georgia, Sunday May 2, 1976 at 3:00 p. m. We will meet in the large parking lot facing the carving.

At this meet, we will have a flea market for parts. You may arrive early for picnics and to set up your flea market display. There will be a door prize, too. We urge our Alabama, South Carolina and Tennessee friends to attend this meeting, we need you.

At this time, we have twenty-two paid chartered members and forty prospective members in just three weeks (keep it going gang). Please inform other Mustang owners about our club.

Our Publication will be called (for the time being) "The Mustang Times". We need want-ads for this publication, especially pictures of your car(s) in black & white only. Mailing date will probably be the last day of May. If anyone wishes to write an article on Mustangs we welcome your stories. Want-ads can be called in, also.

I hope to hear or see from you soon.

Sincerely,

Stan Jones
Acting National President
